

# TATSIANA SHKET

## FRONT-END DEVELOPER

Hello, I am a front-end developer with experience in creating SPA with React/Redux/JavaScript/TypeScript in team. I am a person who has always been connected with technology and like it! Now I improve my skills in this direction and expanding them with new technologies(I am planning to learn Angular in future). Open to your suggestions.

## CONTACTS

## SKILLS

React  
Redux  
Redux-Toolkit  
JavaScript  
TypeScript  
Formik
